*The subject headings of this index, with two exceptions, were adapted from *The Lawyer's Handbook* and are used in the same sequence. This allows the reader to cross-reference and locate easily all magazine articles dealing with the same topic in *Law Practice Management* and its predecessor, *Legal Economics*. The exceptions are "Substantive Law Systems," which can be cross-referenced with the Section publication, *How to Create-A-System for the Law Office*, and "Solo Spotlight," which highlights articles of special interest to the solo practitioner.

Annual indexes began appearing in the last issue of each year since 1989. Previously, indexes were compiled every three years and appeared in the January/February 1979 issue of *Legal Economics* (covering Spring 1975 to Fall 1978), the March/April 1983 issue (January/ February 1979-November/December 1982), the January 1986 issue (January/February 1983-November/December 1985), and the March 1989 issue (January 1986-November/December 1988).
